

Experienced Farm Sales Vacancies throughout America

Get going on a gap year and enjoy the great outdoors as you boost your CV with an agricultural adventure.

Provita Animal Health research, manufacture and market natural animal health products. Based in Northern Ireland with established distribution in the United States, we are committed to extensive research and development and are undergoing rapid global expansion. We are looking for highly motivated individuals to join our team.

In this role, you would

- Report to Sales Manager
- Secure on-farm orders from current and prospective customers
- Support our national distribution partner
- Demonstrate strong product and technical knowledge at farm level
- Represent Provita at trade shows and maximise farm follow-ups
- Provide weekly and monthly sale reports to Provita Sales Manager
- Maintain accurate records of all sales and prospecting activities including sales calls, presentations, closed sales and follow-up activities
- Be willing to travel throughout USA to meet demands of the job

The ideal candidate would have

- College degree in agriculture or other related discipline
- Sales experience ideally in relevant sector
- Excellent communication, interaction and organizational skills
